MICHAEL ANDERSON

MONITORING AND EVALUATION LEAD

Strategic Monitoring and Evaluation Extension Specialist with a focus on agricultural development and food security initiatives. Expertise in designing and implementing M&E systems that drive organizational learning and enhance project outcomes. Proven track record in utilizing participatory approaches to engage communities in the evaluation process, ensuring that local perspectives inform program design.

PROFESSIONAL EXPERIENCE

Sustainable Agriculture Initiative

Mar 2018 - Present

Monitoring and Evaluation Lead

- Developed and implemented a comprehensive M&E strategy for agricultural projects.
- Led participatory evaluations that engaged farmers and local stakeholders.
- Utilized software tools to analyze agricultural data, improving project outcomes.
- Conducted capacity-building workshops for local partners on M&E practices.
- Monitored project performance against established indicators, ensuring accountability.
- Presented evaluation findings to donor agencies, securing continued funding for initiatives.

Food Security Network

Dec 2015 - Jan 2018

Evaluation Consultant

- Conducted evaluations of food security programs, employing mixed-method approaches.
- Developed indicators that effectively measured program impact on community resilience.
- Engaged with beneficiaries to gather qualitative insights for program improvement.
- Authored evaluation reports that influenced policy advocacy at the national level.
- Facilitated learning sessions to share best practices among stakeholders.
- Collaborated with research teams to publish findings in academic journals.

ACHIEVEMENTS

- Increased project efficiency by 30% through improved monitoring processes.
- Recognized for excellence in stakeholder engagement at the Annual Agriculture Conference.
- Secured a 50% increase in funding for agricultural initiatives through successful evaluations.
