

MICHAEL ANDERSON

Monitoring and Evaluation Manager

Results-oriented Monitoring and Evaluation Specialist with a focus on economic development and poverty alleviation programs. Brings over 12 years of experience in designing and implementing M&E systems that enhance program efficiency and effectiveness. Known for a strong analytical background and the ability to translate data into strategic insights that drive program improvements.

WORK EXPERIENCE

Monitoring and Evaluation Manager

2020-2023

Economic Development Agency

- Developed and implemented an M&E framework for economic empowerment programs.
- Conducted evaluations to assess program impacts on poverty alleviation.
- Collaborated with stakeholders to define key performance indicators and measurement tools.
- Managed data collection processes to ensure high-quality and reliable data.
- Presented findings to senior management, advocating for data-driven decision-making.
- Facilitated training sessions for staff on M&E methodologies and best practices.

Evaluation Officer

2019-2020

International Economic Forum

- Conducted impact evaluations of economic development projects in emerging markets.
- Developed comprehensive reports detailing evaluation findings and recommendations.
- Engaged with local communities to gather qualitative data on program effectiveness.
- Analyzed economic data to identify trends and inform policy recommendations.
- Collaborated with cross-functional teams to enhance evaluation strategies.
- Presented evaluation outcomes to stakeholders, ensuring transparency and accountability.

ACHIEVEMENTS

- Increased program efficiency by 20% through the implementation of a new M&E framework.
- Recognized for excellence in evaluation practices by the Economic Development Association.
- Secured a \$750,000 grant for a new initiative focused on poverty reduction.
