Dynamic Montessori Directress with a passion for integrating technology in early childhood education. With over 4 years of experience, I believe in harnessing the power of technology to enhance learning experiences and promote digital literacy from a young age. My background in childhood education and technology equips me to create engaging and interactive learning environments that encourage curiosity and exploration.

💼 WORK EXPERIENCE

Montessori Directress
2020-2023

Tech Savvy Montessori

- Integrated technology into the curriculum, enhancing student engagement by 45%.
- Developed lesson plans that included digital tools to promote interactive learning.
- Conducted workshops for parents on supporting technology use in education.
