MICHAEL ANDERSON

PROJECT MANAGER

Accomplished Municipal Infrastructure Manager with an extensive career spanning over 12 years in the public sector, focusing on the development and management of critical infrastructure projects. Expertise in aligning municipal services with strategic urban planning initiatives, ensuring that infrastructure developments are both sustainable and community-oriented. Strong analytical skills facilitate the identification of project requirements and the effective management of resources.

PROFESSIONAL EXPERIENCE

City of Greenfield

Mar 2018 - Present

Project Manager

- Managed the upgrade of citywide water supply systems, enhancing service delivery.
- Executed project plans that aligned with city development goals and sustainability practices.
- Conducted stakeholder meetings to gather input for project improvements.
- Utilized project management software to track progress and budget adherence.
- Supervised a team of engineers and technicians throughout project lifecycle.
- Prepared and presented project reports to city officials and stakeholders.

Urban Development Agency

Dec 2015 - Jan 2018

Assistant Project Coordinator

- Supported the planning and execution of urban revitalization projects.
- Assisted in the preparation of grant proposals for infrastructure funding.
- Maintained project documentation and tracked financial expenditures.
- Conducted site visits to monitor project compliance and quality.
- Facilitated communication between project teams and external stakeholders.
- Contributed to the development of community outreach strategies.

ACHIEVEMENTS

- Recognized for excellence in project management with the 'City Service Award' in 2023.
- Increased project efficiency by 20% through streamlined processes.
- Successfully secured \$1 million in funding for local infrastructure projects.
