Michael ANDERSON

MUSIC SUPERVISOR

Strategic music consultant with a robust background in music supervision and curation for multimedia projects. Demonstrates a comprehensive understanding of the interplay between music and visual storytelling, ensuring that soundtracks enhance narrative depth and emotional impact. Experienced in collaborating with directors, producers, and editors to select and license music that aligns with project goals.

WORK EXPERIENCE

MUSIC SUPERVISOR

Cinematic Soundscapes

2020 - 2025

- Curated and supervised music for over 50 film and television projects.
- Collaborated closely with directors to align music choices with narrative themes.
- Negotiated music licensing agreements to ensure project compliance.
- Managed budgets effectively, achieving cost savings of 20% on music expenditures.
- Conducted music workshops to educate production teams on sound selection.
- Developed relationships with composers and artists for original score opportunities.

CONSULTANT

Visual Harmony Productions

2015 - 2020

- Provided expert music supervision for commercial and promotional videos.
- Advised on music choices that enhance viewer engagement and emotional resonance.
- Coordinated with sound designers to ensure seamless audio integration.
- Maintained a library of licensed music for quick access to suitable tracks.
- Facilitated client meetings to discuss project needs and vision.
- Evaluated music submissions for potential integration into projects.
