WORK EXPERIENCE

Director of Natural Dye Initiatives

2020-2023

EcoArtisans Global

- Directed initiatives focused on integrating natural dyes into global textile supply chains.
- Led a team of researchers in developing sustainable dyeing processes.
- Organized international conferences to promote natural dyeing practices.
- Established partnerships with NGOs for community-based dyeing projects.
- Advocated for policy changes to support sustainable textile practices.
- Developed training materials for artisans on advanced dyeing techniques.

Senior Consultant for Natural Dye Solutions

2019-2020

Textile Sustainability Institute

- Consulted with brands to implement natural dye solutions in product lines.
- Conducted workshops on the benefits of natural dyeing in fashion.
- Evaluated market trends to inform strategic dyeing initiatives.
- Wrote comprehensive reports on the impact of natural dyes on textile sustainability.
- Provided expert advice on sourcing and processing of dye materials.
- Facilitated collaborations between artisans and designers for innovative projects.

ACHIEVEMENTS

- Successfully launched a global initiative promoting natural dyes, reaching over 10,000 artisans.
- Awarded 'Innovator of the Year' by the Textile Sustainability Association.
- Published influential articles in leading textile journals on natural dye methodologies.
