- Clinical assessment
- Family support
- Monitoring equipment
- Evidence-based practice
- Quality improvement

### LANGUAGES

- English
- Spanish
- French

### EDUCATION

**BACHELOR OF SCIENCE IN NURSING,  
STATE UNIVERSITY, 2016**

### ACHIEVEMENTS

- Awarded Nurse of the Year in 2020 for exemplary dedication to neonatal nursing.
- Improved patient satisfaction scores by implementing family-centered care techniques.
- Successfully reduced the length of stay for NICU patients by 20% through optimized care pathways.

### PROFILE

Compassionate and highly skilled Neonatal Nurse with over 5 years of experience in fast-paced clinical settings. My expertise lies in managing high-risk neonates, providing them with necessary interventions, and ensuring a supportive environment for families. I have developed strong critical thinking skills and am proficient in using advanced neonatal technology and monitoring systems.

### EXPERIENCE

#### NEONATAL NURSE

##### State Children's Hospital

*2016 - Present*

- Administered comprehensive care to neonates in the special care nursery.
- Conducted thorough assessments and implemented appropriate interventions.
- Utilized advanced monitoring tools to assess patient health effectively.
- Worked collaboratively with healthcare teams to optimize patient care strategies.
- Educated families about their infant's conditions and care processes.
- Participated in quality improvement initiatives that enhanced care practices.

#### CLINICAL NURSE - NEONATAL UNIT

##### City General Hospital

*2014 - 2016*

- Provided direct nursing care to critically ill neonates in a busy NICU.
- Monitored and documented patient progress, adjusting care plans as necessary.
- Assisted in the development of individualized care plans for at-risk infants.
- Engaged in family support programs to assist with emotional wellness.
- Trained nursing students on neonatal care best practices.
- Ensured compliance with hospital safety and health regulations.
