Michael Anderson

NEONATAL STAFF NURSE

Compassionate Neonatal Nurse with over 4 years of experience in providing high-quality care in fast-paced hospital environments. My clinical expertise includes monitoring and treating critically ill neonates, utilizing advanced neonatal technology, and collaborating with multidisciplinary teams to ensure optimal outcomes. I have a strong commitment to patient advocacy, ensuring that families are well-informed and supported throughout their neonatal journey.

EXPERIENCE

NEONATAL STAFF NURSE

City Children's Hospital

2016 - Present

- Provided exceptional nursing care to neonates in the NICU.
- Monitored vital signs and administered medications as prescribed.
- Utilized advanced technology for patient assessments and interventions.
- Collaborated with physicians and specialists to create comprehensive care plans.
- Educated parents on neonatal health and care practices.
- Participated in rounds to discuss patient progress and care adjustments.

CLINICAL NURSE - NEONATAL CARE

National Health Hospital

2014 - 2016

- Assisted in the care of premature infants, ensuring adherence to safety protocols.
- Administered neonatal resuscitation and emergency care as needed.
- Conducted regular assessments to track patient health and development.
- Engaged families in care processes and provided emotional support.
- Maintained accurate documentation of patient care and outcomes.
- Participated in quality improvement projects aimed at enhancing neonatal care.
