### SKILLS

- Cloud Networking
- Network Architecture
- Performance Optimization
- Vendor Management
- Client Relations
- Problem Solving

### LANGUAGES

- English
- Spanish
- French

### EDUCATION

**BACHELOR OF SCIENCE IN  
INFORMATION SYSTEMS, TECH  
UNIVERSITY**

### ACHIEVEMENTS

- Successfully migrated over 100 clients to cloud environments with zero downtime.
- Recognized for developing a comprehensive training program for network engineers.
- Contributed to a project that won the Best Innovation Award in 2021.

### WORK EXPERIENCE

#### NETWORK OPERATIONS ENGINEER

CloudTech Solutions

2020 - 2025

- Designed and implemented a cloud-based network infrastructure that improved scalability by 50%.
- Optimized network configurations for cloud services, enhancing performance by 40%.
- Collaborated with DevOps teams to ensure seamless integration of network and application layers.
- Conducted network assessments to identify risks and recommend solutions.
- Managed vendor relationships for network equipment and services.
- Provided technical guidance for cloud migration projects, ensuring minimal disruption.

#### NETWORK CONSULTANT

Tech Innovations LLC

2015 - 2020

- Assessed client network environments and provided tailored solutions for optimization.
- Developed network strategies that aligned with client business objectives.
- Delivered training sessions on network best practices and cloud technologies.
- Conducted performance testing to validate network efficiency.
- Prepared detailed reports on network performance and improvement recommendations.
- Maintained strong relationships with clients to ensure satisfaction and ongoing support.
