EDUCATION

MASTER OF EDUCATION IN INSTRUCTIONAL TECHNOLOGY, STATE UNIVERSITY

ACHIEVEMENTS

- Achieved a 90% satisfaction rate in student evaluations for networking courses.
- Recognized for outstanding contributions to curriculum development in 2019.
- Led initiatives that increased student internship placements by 25%.

Dedicated Networking Educator with 12 years of experience in academic and professional training environments. I specialize in networking concepts, protocols, and security, offering a wealth of knowledge to students and professionals alike. My teaching philosophy centers around active learning and real-world applications, ensuring that students not only understand theoretical concepts but can also apply them effectively.

WORK EXPERIENCE

NETWORKING COURSE COORDINATOR
Educational Technology Center

2020 - 2025

- Coordinated and launched a successful networking curriculum that reached over 1,000 students annually.
- Designed training workshops that successfully improved student skills by 35% as measured by assessments.
- Collaborated with faculty to integrate networking topics into broader IT courses.
- Utilized technology to deliver interactive and engaging learning experiences.
- Managed course evaluations to ensure continuous improvement based on student feedback.
- Developed partnerships with local businesses for internship opportunities for students.

NETWORKING EDUCATOR
