EDUCATION

ASSOCIATE DEGREE IN NEURODIAGNOSTIC TECHNOLOGY, COMMUNITY COLLEGE OF HEALTH, 2016

ACHIEVEMENTS

- Recognized for outstanding patient service by management in 2019.
- Contributed to a 15% increase in departmental efficiency through streamlined processes.
- Led training sessions that improved team performance and knowledge.

PROFILE

Enthusiastic and detail-oriented Neurodiagnostic Technologist with 5 years of experience specializing in EEG and sleep studies. I have a passion for understanding neurological disorders and using diagnostic tools to improve patient outcomes. My career has been defined by my ability to connect with patients, ensuring their comfort during testing. I have developed a keen ability to analyze and interpret data, which has aided in accurate diagnoses.

EXPERIENCE

NEURODIAGNOSTIC TECHNOLOGIST

Regional Health Services

2016 - Present

- Conducted EEG tests and polysomnography for diverse patient demographics.
- Ensured patient comfort and safety throughout all procedures.
- Analyzed brain wave patterns to assist in diagnosing neurological conditions.
- Educated patients on preparation and expectations for tests.
- Assisted in the maintenance and calibration of neurodiagnostic equipment.
- Documented and reported findings to physicians in a timely manner.

NEURODIAGNOSTIC TECHNICIAN

Community Health Clinic

2014 - 2016

- Performed routine EEGs and assisted in sleep studies.
- Worked closely with neurologists to optimize testing methods.
- Maintained patient records and ensured compliance with health regulations.
- Participated in departmental meetings to discuss patient care strategies.
- Provided technical support during testing procedures.
- Trained new staff on EEG protocols and patient interaction techniques.
