Innovative and results-driven Next Gen Technology Specialist with over 9 years of experience in the education sector. My focus is on developing and implementing technology solutions that enhance learning experiences and improve educational outcomes. I have a strong background in e-learning platforms, data analytics, and instructional design. By collaborating with educators and administrators, I strive to create tailored technology applications that address specific learning needs.

## 💼 WORK EXPERIENCE

**Director of Educational Technology**          2020-2023

EduTech Solutions

- Led the development of an e-learning platform that increased student engagement by 50%.
- Implemented AR/VR technology in classrooms, enhancing experiential learning opportunities.
