MICHAEL ANDERSON

PUBLIC HEALTH PROGRAM MANAGER

Visionary and analytical NGO Program Manager with a robust background in public health initiatives and policy advocacy. Proven track record of developing and implementing programs that address health disparities and improve access to healthcare services in underserved populations. Adept at conducting rigorous needs assessments, utilizing data-driven approaches to inform program design, and fostering partnerships with health organizations and community stakeholders.

PROFESSIONAL EXPERIENCE

Healthcare Access Initiative

Mar 2018 - Present

Public Health Program Manager

- Managed programs aimed at increasing healthcare access for marginalized communities.
- Conducted health needs assessments to inform program strategies.
- Collaborated with local health departments to enhance service delivery.
- Developed training programs for healthcare providers on cultural competency.
- Utilized health data analytics to drive program improvements.
- Advocated for policy changes to support health equity initiatives.

Community Health Solutions

Dec 2015 - Jan 2018

Health Program Coordinator

- Coordinated public health campaigns focused on disease prevention.
- Engaged with community leaders to promote health education.
- Monitored program outcomes and prepared reports for stakeholders.
- Facilitated workshops on health literacy and access to services.
- Managed outreach activities to connect with at-risk populations.
- Implemented feedback mechanisms to improve program effectiveness.

ACHIEVEMENTS

- Increased healthcare access for over 30,000 individuals through targeted programs.
- Received 'Public Health Leadership Award' from the National Health Association in 2020.
- Developed a health literacy program that improved community knowledge by 60%.
