# MICHAEL ANDERSON

## NURSERY PRODUCTION COORDINATOR

A dedicated Nursery Production Specialist with a focus on sustainable agriculture and plant conservation, possessing 7 years of experience in managing nursery operations and plant propagation. Expertise in developing eco-friendly practices that support biodiversity and enhance plant resilience. Proven ability to lead projects aimed at improving production efficiency while adhering to environmental standards.

## **PROFESSIONAL EXPERIENCE**

### **Sustainable Greens**

*Mar 2018 - Present*

Nursery Production Coordinator

- Coordinated the production of over 200 plant species with a focus on native plants.
- Implemented sustainable growing practices that reduced waste by 40%.
- Trained staff on eco-friendly pest control methods.
- Developed community workshops to educate on plant conservation.
- Monitored plant health and adjusted care protocols as needed.
- Collaborated with local schools on educational programs related to horticulture.

### **Green Thumb Nursery**

*Dec 2015 - Jan 2018*

Nursery Technician

- Assisted in daily nursery operations, focusing on plant care and maintenance.
- Maintained accurate inventory records and conducted regular stock assessments.
- Supported the implementation of organic growing practices.
- Participated in plant propagation and transplanting activities.
- Provided customer support and plant care advice.
- Contributed to the design of new nursery layouts for improved workflow.

## **ACHIEVEMENTS**

- Led a project that resulted in the planting of 5,000 native plants in local parks.
- Received recognition for excellence in community engagement initiatives.
- Increased nursery sales by 20% through effective marketing strategies.
