

# MICHAEL ANDERSON

## PEDIATRIC NURSING CARE COORDINATOR

### PROFILE

Experienced Nursing Care Coordinator with a strong background in pediatric care and family support services. Over 10 years of experience in managing care for children with complex health needs. Adept at collaborating with families and healthcare teams to create and implement comprehensive care plans. Skilled in utilizing data analytics to assess care effectiveness and improve health outcomes.

### EXPERIENCE

#### PEDIATRIC NURSING CARE COORDINATOR

##### Children's Health Network

2016 - Present

- Managed care for a diverse patient population, coordinating services for over 150 children with chronic conditions.
- Developed and monitored individualized care plans in collaboration with families and healthcare providers.
- Utilized data analytics to track patient progress and identify areas for improvement in care delivery.
- Facilitated communication between families and specialists to ensure continuity of care.
- Conducted educational workshops for families on managing chronic illnesses in children.
- Implemented a community outreach program that increased awareness of pediatric health resources by 25%.

#### STAFF NURSE

##### Pediatric Hospital

2014 - 2016

- Provided direct nursing care to pediatric patients in a hospital setting, ensuring safety and comfort.
- Assisted in the development of care plans in collaboration with pediatricians and specialists.
- Educated patients and families on treatment options and care management strategies.
- Monitored and documented patient conditions, responding to changes promptly.
- Participated in the training and mentoring of new nursing staff.
- Contributed to patient satisfaction initiatives that improved overall family experiences in the hospital.
