MICHAEL ANDERSON

NURSING CARE COORDINATOR

Dynamic and compassionate Nursing Care Coordinator with over 5 years of experience in geriatric care. Specializing in developing and implementing care plans that cater to the unique needs of elderly patients. Expert in assessing patient health status and coordinating with healthcare teams to ensure comprehensive and individualized care. Skilled in engaging families in the care process, ensuring they are informed and involved every step of the way.

PROFESSIONAL EXPERIENCE

Senior Health Services

Mar 2018 - Present

Nursing Care Coordinator

- Coordinated care for over 100 elderly patients, ensuring timely access to necessary health services.
- Developed personalized care plans in collaboration with families and interdisciplinary teams.
- Conducted comprehensive assessments to identify patient needs and preferences.
- Facilitated support groups for families to share resources and experiences.
- Utilized care management software to monitor patient progress and outcomes effectively.
- Worked on a project that improved medication adherence rates among seniors by 20%.

Elder Care Hospital

Dec 2015 - Jan 2018

Registered Nurse

- Provided direct nursing care to geriatric patients in a busy hospital setting.
- Collaborated with healthcare providers to develop and implement care strategies.
- Educated patients and families on health management and prevention strategies.
- Monitored vital signs and documented changes in patient health status.
- Assisted in the training of nursing students and new staff.
- Participated in quality improvement initiatives that increased patient satisfaction scores.

ACHIEVEMENTS

- Implemented a new patient tracking system that improved follow-up care efficiency by 35%.
- Received the 'Excellence in Geriatric Care' award for outstanding service.
- Led a community health initiative that increased awareness of senior health resources.
