### WORK EXPERIENCE

#### Oncology Nursing Care Coordinator

2020-2023

Oncology Care Center

- Coordinated care for a diverse patient population of over 100 oncology patients, ensuring personalized treatment plans.
- Facilitated communication between patients, families, and healthcare teams to enhance care delivery.
- Provided education on treatment options and side effects to empower patients in their care decisions.
- Monitored patient progress, documenting changes in health status and treatment responses.
- Implemented support programs for patients and families dealing with cancer diagnosis.
- Participated in community outreach initiatives that raised cancer awareness and prevention.

#### Oncology Nurse

2019-2020

City Cancer Hospital

- Provided direct nursing care to oncology patients, monitoring vital signs and treatment responses.
- Collaborated with oncologists to develop individualized care plans.
- Educated patients about chemotherapy and radiation treatment protocols.
- Documented patient care activities and outcomes in the EHR.
- Assisted in the training of new nursing staff on oncology care practices.
- Contributed to quality improvement initiatives that increased patient satisfaction ratings.

### ACHIEVEMENTS

- Developed a patient education toolkit that improved understanding of cancer treatments by 35%.
- Recognized with the 'Excellence in Oncology Care' award for outstanding patient support.
- Implemented a patient feedback system that increased satisfaction scores significantly.
