EDUCATION

**BACHELOR OF SCIENCE IN NURSING,
NURSING UNIVERSITY, 2013**

ACHIEVEMENTS

- Developed a training program recognized for excellence by the State Nursing Board.
- Increased nursing student satisfaction scores by 20% through enhanced curriculum.
- Presented findings on nursing education improvements at a national conference.

PROFILE

Results-oriented Nursing Training Consultant with a robust background in clinical nursing and educational methodologies. With over 8 years of experience in designing and implementing nursing training programs, I focus on enhancing the knowledge and skills of nursing professionals in fast-paced environments. My experience includes working with both hospital and academic institutions where I have successfully led training initiatives that improved patient care and staff performance.

EXPERIENCE

CLINICAL NURSING TRAINER

Metro General Hospital

2016 - Present

- Designed and facilitated training sessions for new nursing staff, covering essential clinical skills.
- Utilized patient simulation scenarios to enhance hands-on learning experiences.
- Conducted evaluations to assess training effectiveness and make improvements.
- Worked closely with nursing leadership to align training with hospital protocols.
- Provided mentorship and coaching to nursing staff, promoting a culture of excellence.
- Achieved a 30% improvement in nursing assessments post-training implementation.

NURSING PROGRAM COORDINATOR

State University Nursing School

2014 - 2016

- Coordinated the development of nursing curriculum for undergraduate students.
- Implemented innovative teaching strategies to enhance student engagement and learning.
- Facilitated workshops on clinical best practices and patient safety protocols.
- Monitored student performance and provided targeted support for at-risk students.
- Engaged with community partners to create internship opportunities for nursing students.
- Increased student pass rates on licensure exams by 15% through effective curriculum enhancements.
