WORK EXPERIENCE

Global Nutrition Specialist

2020-2023

International Food Policy Research Institute

- Led research projects addressing malnutrition and food security in low-income countries.
- Developed and evaluated nutrition programs targeting vulnerable populations.
- Collaborated with governments and NGOs to implement sustainable food initiatives.
- Conducted training workshops for local health workers on nutrition best practices.
- Published findings in international journals, influencing global nutrition policies.
- Secured funding for research initiatives from international donors.

Nutrition Consultant

2019-2020

United Nations World Food Programme

- Provided technical assistance on nutrition program implementation in crisis areas.
- Assessed nutritional needs of displaced populations and developed intervention strategies.
- Collaborated with partners to enhance the nutritional quality of food aid.
- Presented at global summits to advocate for nutrition-sensitive policies.
- Developed monitoring and evaluation frameworks for nutrition projects.
- Engaged in capacity-building efforts with local organizations.

ACHIEVEMENTS

- Led a project that reduced malnutrition rates by 20% in targeted communities.
- Published influential reports on food security in developing regions.
- Recipient of the Global Nutrition Leadership Award in 2022.
