EDUCATION

MASTER OF ARTS IN DIGITAL HUMANITIES, UNIVERSITY OF TECHNOLOGICAL MYSTICISM

ACHIEVEMENTS

- Launched a successful digital platform that increased engagement with occult studies by 50%.
- Published a groundbreaking paper on the impact of social media on occult practices in 2023.
- Recipient of the Digital Innovation Award for contributions to the field.

DIGITAL RESEARCH SPECIALIST

Innovative Occult Studies Researcher with a focus on the digital transformation of occult practices and communities. Expertise in utilizing digital humanities methodologies to analyze and visualize occult phenomena in contemporary settings. Recognized for pioneering research that bridges the gap between traditional occult studies and modern technological advancements. Committed to fostering a deeper understanding of how digital platforms shape the practice and perception of occultism today.

WORK EXPERIENCE

DIGITAL RESEARCH SPECIALIST
Institute for Digital Occult Studies
2020 - 2025

- Developed digital tools for the analysis and visualization of occult practices.
- Conducted workshops on the intersection of technology and occultism.
- Published articles on the implications of digital media in contemporary occult practices.
- Collaborated with software developers to create user-friendly research platforms.
- Engaged with online communities to gather data on modern occult practices.
- Presented findings at tech and humanities conferences, bridging disciplinary gaps.

RESEARCH COORDINATOR
Digital Archive of Occult Manuscripts
2015 - 2020

- Managed digital archiving projects focused on rare occult texts.
- Implemented data management systems to ensure accessibility and preservation.
- Collaborated with librarians to curate collections that reflect diverse occult traditions.
- Conducted outreach to educators and scholars regarding the value of digital resources.
- Facilitated training sessions on digital research methodologies.
- Analyzed user engagement metrics to improve digital offerings.
