- michael.anderson@email.com

Compassionate and committed Occupational Health Nurse with 2 years of experience focusing on employee health and safety in a manufacturing environment. I possess a thorough understanding of workplace health risks and the necessary protocols to mitigate them. My role involves conducting health assessments, developing safety training programs, and ensuring compliance with health regulations.

## WORK EXPERIENCE

### Occupational Health Nurse | Manufacturing Excellence Ltd.

Jan 2022 – Present

- Conducted health assessments for a team of 120 employees.
- Developed and implemented a comprehensive safety training program.
- Identified workplace hazards and recommended improvements.
- Managed health records and ensured compliance with occupational health standards.
- Collaborated with management to promote employee wellness initiatives.
- Provided first aid training to employees, enhancing workplace safety.

### Staff Nurse | General Hospital

Jul 2019 – Dec 2021

- Provided patient care in a fast-paced environment, focusing on patient safety.
- Assisted in health education programs for patients and families.
- Monitored patient health and reported significant changes to the healthcare team.
- Participated in quality improvement projects to enhance patient care.
- Maintained accurate patient records and documentation.
- Supported the healthcare team in delivering high-quality care.
