EDUCATION

BACHELOR OF SCIENCE IN ENVIRONMENTAL HEALTH, UNIVERSITY OF FLORIDA, 2012

ACHIEVEMENTS

- Recognized for implementing a successful health initiative that led to a 40% decrease in absenteeism.
- Developed a safety training program that received high satisfaction ratings from participants.
- Authored a guide on best practices for health and safety in manufacturing environments.

PROFILE

Results-oriented Occupational Health Specialist with a strong background in industrial hygiene and a focus on improving workplace environments. With over 8 years of experience in the manufacturing sector, I have a proven track record of implementing effective health and safety protocols that enhance productivity and employee morale. My expertise lies in conducting thorough assessments of workplace conditions, recommending changes, and training employees on safety practices.

EXPERIENCE

INDUSTRIAL HEALTH SPECIALIST

MegaManufacture Inc.

2016 - Present

- Conducted regular industrial hygiene assessments to monitor air quality and hazardous substances.
- Developed and implemented safety training programs that improved employee knowledge by 50%.
