

MICHAEL ANDERSON

OCCUPATIONAL THERAPIST

PROFILE

Enthusiastic and compassionate Occupational Therapist with 5 years of experience specializing in pediatric therapy. My focus has been on helping children with developmental delays, sensory processing disorders, and physical disabilities. I believe in creating a supportive and engaging environment that encourages children to express themselves and achieve their therapeutic goals. My approach involves collaboration with parents and educators to ensure consistency in treatment and progress tracking.

EXPERIENCE

OCCUPATIONAL THERAPIST

Bright Futures Pediatric Therapy

2016 - Present

- Designed and implemented individualized therapy programs for 40+ children annually.
- Conducted assessments to identify each child's unique needs and goals.
- Utilized play-based therapy techniques to engage and motivate young patients.
- Collaborated with families to develop home exercise programs.
- Organized workshops for parents on developmental milestones and interventions.
- Increased patient engagement in therapy sessions by 35% through creative activities.

OCCUPATIONAL THERAPY ASSISTANT

Happy Kids Clinic

2014 - 2016

- Assisted in the delivery of therapeutic interventions for children with special needs.
- Maintained accurate records of patient progress and therapy outcomes.
- Supported occupational therapists in conducting evaluations and treatment sessions.
- Participated in multidisciplinary team meetings to discuss patient care.
- Promoted sensory integration techniques within therapy sessions.
- Helped improve children's fine motor skills, resulting in a 20% increase in classroom participation.
