Michael Anderson

ONLINE ARTS INSTRUCTOR

Creative Online Course Instructor with a strong background in arts and humanities education. With over 7 years of experience, I specialize in developing courses that inspire creativity and critical thinking in students. My teaching philosophy emphasizes the importance of storytelling and cultural context in learning. I use a variety of multimedia resources to enrich the online learning experience and encourage student participation.

EXPERIENCE

ONLINE ARTS INSTRUCTOR

Creative Learning Institute

2016 - Present

- Designed and taught online courses in visual arts and literature, attracting a diverse student population.
- Incorporated project-based assessments that allowed students to showcase their creativity.
- Facilitated online workshops that encouraged peer feedback and collaborative learning.
- Utilized digital platforms to showcase student work and enhance visibility within the community.
- Implemented strategies to engage students in discussions about cultural contexts and their relevance.
- Adapted curriculum based on student feedback to continually enhance course offerings.

CURRICULUM DEVELOPER FOR ONLINE HUMANITIES

Global Arts Academy

2014 - 2016

- Developed innovative online curricula for humanities courses, impacting over 1,500 learners per semester.
- Engaged with students through interactive discussions and multimedia resources to enhance learning.
- Collaborated with faculty to ensure alignment with educational standards and best practices.
- Conducted research to integrate contemporary cultural issues into course content.
- Facilitated training for new instructors on online teaching techniques and course management.
- Analyzed course data to improve student outcomes and engagement rates.
