### EDUCATION

**BACHELOR'S IN CHILD DEVELOPMENT,  
UNIVERSITY OF LEARNING**

### ACHIEVEMENTS

- Recipient of the 'Excellence in Online Education' award in 2020.
- Increased student engagement through innovative course design, leading to a 50% boost in participation rates.
- Contributed to a significant rise in student satisfaction ratings as reflected in course evaluations.

### PROFILE

Creative Online Curriculum Designer with 5 years of experience focused on developing engaging content for K-12 students. My background in child development and education equips me with unique insights into how young learners engage with digital content. I am adept at using a variety of tools, including Articulate Storyline and Adobe Captivate, to create interactive and visually appealing learning materials.

### EXPERIENCE

#### ONLINE CURRICULUM DESIGNER

##### K-12 Innovations

*2016 - Present*

- Created over 10 interactive online courses, enhancing student engagement and participation by 40%.
- Collaborated with teachers to align curriculum with state educational standards.
- Implemented gamification strategies that led to a 30% increase in student retention rates.
- Utilized Adobe Captivate to develop multimedia learning modules.
- Provided training workshops for teachers on effective online teaching practices.
- Analyzed course data to identify areas for improvement, resulting in targeted curriculum enhancements.

#### INSTRUCTIONAL DESIGNER

##### Learning Solutions Group

*2014 - 2016*

- Designed eLearning modules for various subjects, contributing to a 20% improvement in student assessment scores.
- Worked with a team to develop an interactive digital library for student resources.
- Facilitated feedback sessions with students to assess course effectiveness.
- Created instructional guides for teachers on integrating technology in lessons.
- Managed project timelines and ensured on-time delivery of course materials.
- Conducted research on best practices in online education to inform course design.
