MICHAEL ANDERSON

LEAD ONLINE CURRICULUM DESIGNER

Results-oriented Online Curriculum Designer with a decade of experience in higher education. My expertise lies in creating online courses that not only meet accreditation standards but also foster student learning and engagement. With a strong foundation in adult learning theory, I design courses that are learner-centered and applicable to real-world scenarios.

PROFESSIONAL EXPERIENCE

University of Excellence
Mar 2018 - Present
Lead Online Curriculum Designer

- Designed and implemented over 25 accredited online courses, increasing enrollment by 50% in two years.
- Worked with faculty to ensure alignment of course content with industry standards and practices.
- Utilized Blackboard and Canvas to develop and manage online learning environments.
- Conducted workshops for faculty on best practices in online teaching and course design.
- Analyzed student performance data to identify trends and inform curriculum improvements.
- Fostered a collaborative environment among faculty to enhance course offerings and student success.

Innovative Learning Group
Dec 2015 - Jan 2018
Curriculum Designer

- Developed online training materials for adult learners, resulting in a 35% increase in course completion rates.
- Collaborated with industry experts to ensure course relevance and applicability.
- Implemented feedback mechanisms to continuously improve course quality.
- Designed assessments that accurately measure learning outcomes.
- Managed the transition of traditional courses to online formats.
- Provided ongoing support to faculty and students in navigating online platforms.

ACHIEVEMENTS

- Recognized for excellence in curriculum design with the 'Innovative Curriculum Award' in 2019.
- Increased course enrollment and completion rates through effective course redesign.
- Authored several articles on best practices in online education published in academic journals.
