EDUCATION

DOCTOR OF PHILOSOPHY IN EDUCATION
POLICY, UNIVERSITY OF ABC

ACHIEVEMENTS

- Increased online program enrollment by 40% within two years through strategic initiatives.
- Recognized for excellence in educational consulting by the National Association of Educators.
- Published multiple articles in educational journals on online learning best practices.

PROFILE

Accomplished Online Education Consultant with a strong background in educational policy and technology integration. With over 12 years of experience, I have successfully partnered with educational institutions to develop strategic initiatives that enhance online learning experiences. My approach combines research-based practices with practical implementation strategies to facilitate effective teaching and learning.

EXPERIENCE

DIRECTOR OF ONLINE PROGRAMS

Premier University

2016 - Present

- Led the design and implementation of a comprehensive online education strategy.
- Managed a team of instructional designers and technical staff to develop online courses.
- Collaborated with faculty to identify best practices for online teaching and learning.
- Utilized analytics to assess program effectiveness and student engagement.
- Secured funding for new technology initiatives aimed at enhancing the online learning experience.
- Presented findings and recommendations to the university board to drive strategic decisions.

EDUCATIONAL CONSULTANT

Innovate Education Group

2014 - 2016

- Provided consulting services to K-12 districts on online curriculum development.
- Facilitated training workshops for educators on effective online teaching strategies.
- Assisted schools in the selection and implementation of learning management systems.
- Conducted evaluations of existing online programs to identify areas for improvement.
- Developed resources and toolkits for educators to enhance online instruction.
- Engaged with community stakeholders to promote online learning initiatives.
