SUMMARY

As an experienced Online Education Mentor, I have dedicated over seven years to fostering student engagement and success in the realm of digital learning. My journey began in traditional education, where I discovered my passion for helping students transition to online platforms. I specialize in developing tailored learning experiences that cater to individual needs and learning styles.

WORK EXPERIENCE

Senior Online Learning Consultant Global Learning Solutions

Jan 2023 - Present

- Designed and implemented a comprehensive online mentoring program that increased student satisfaction ratings by 30%.
- Conducted training sessions for faculty on best practices in online education, leading to a 25% improvement in course completion rates.
