MICHAEL ANDERSON

K-12 ONLINE CURRICULUM DEVELOPER

As an Online Education Specialist with a focus on K-12 education, I am dedicated to creating engaging digital learning experiences that promote student success. My experience spans over 6 years in curriculum development and online instructional methodologies. I have worked closely with teachers and administrators to implement technology-driven solutions that enhance teaching and learning.

PROFESSIONAL EXPERIENCE

Future Ready Schools

Mar 2018 - Present

K-12 Online Curriculum Developer

- Designed online curriculum aligned with state standards for K-12 students.
- Collaborated with teachers to integrate technology into lesson plans.
- Conducted training sessions on using digital tools for effective teaching.
- Analyzed student performance data to inform instructional adjustments.
- Developed resources to support students with diverse learning needs.
- Increased student engagement by 35% through interactive content.

Statewide Online Academy

Dec 2015 - Jan 2018

Online Learning Coordinator

- Oversaw the implementation of online courses for K-12 students.
- Worked with teachers to develop engaging online assessments.
- Facilitated professional development workshops on online pedagogy.
- Monitored course effectiveness through student feedback and performance metrics.
- Collaborated with IT to ensure smooth course delivery and access.
- Achieved a 90% satisfaction rate among parents and students.

ACHIEVEMENTS

- Led a project that improved online course access for low-income students.
- Recognized for excellence in curriculum design by the state education board.
- Successfully launched a parent engagement initiative that increased participation rates.
