Michael Anderson

DIRECTOR OF ONLINE LEARNING

I am an Online Education Specialist with over 9 years of experience in higher education. My focus is on creating innovative online learning solutions that enhance student engagement and academic success. I have a strong background in instructional design, technology integration, and learner support. My methodical approach to course development ensures that materials are not only pedagogically sound but also accessible to all learners.

EXPERIENCE

DIRECTOR OF ONLINE LEARNING

University of Online Studies

2016 - Present

- Oversaw the development and delivery of over 100 online courses across multiple disciplines.
- Implemented a strategic plan that increased online enrollment by 50%.
- Collaborated with faculty to enhance course materials and integrate technology.
- Managed a team of instructional designers and technologists.
- Conducted assessments to measure student success and course effectiveness.
- Developed initiatives to improve online student support services.

INSTRUCTIONAL COORDINATOR

National Education Institute

2014 - 2016

- Designed training programs for faculty on online teaching methodologies.
- Facilitated focus groups to gather feedback on online course quality.
- Monitored compliance with accreditation standards for online programs.
