Michael Anderson

ASSESSMENT DEVELOPER

Innovative Online Learning Assessment Specialist with 6 years of experience in the healthcare training industry. I specialize in designing assessments that measure knowledge acquisition and skill application for healthcare professionals. My background in medical education provides me with a unique perspective on the importance of effective assessment in clinical settings. I am skilled at collaborating with medical experts to ensure assessments are relevant and rigorous.

EXPERIENCE

ASSESSMENT DEVELOPER

Healthcare Training Solutions

2016 - Present

- Designed and implemented online assessments for healthcare training programs.
- Collaborated with medical professionals to ensure assessment relevance and accuracy.
- Utilized data analytics to evaluate learner performance and program effectiveness.
- Conducted focus groups to gather feedback on assessment experiences.
