# MICHAEL ANDERSON

## DIRECTOR OF ONLINE LEARNING

Results-oriented Online Learning Coach with over 10 years of experience in higher education. Specializing in online course development and student retention strategies, I have effectively helped thousands of learners succeed in their educational pursuits. My approach focuses on personalization and active learning, utilizing a variety of digital tools to enhance the academic experience.

## **PROFESSIONAL EXPERIENCE**

### **University of Online Studies**

*Mar 2018 - Present*

Director of Online Learning

- Oversaw the online learning department, leading a team of 15 instructional designers and coaches.
- Increased course enrollment by 50% through strategic marketing and outreach initiatives.
- Developed online programs that improved graduation rates by 20% over three years.
- Implemented a comprehensive training program for new faculty on online pedagogy.
- Utilized analytics to inform curriculum development and enhance teaching effectiveness.
- Fostered partnerships with industry leaders to align online programs with market demands.

### **Freelance**

*Dec 2015 - Jan 2018*

Online Learning Consultant

- Provided consulting services to educational institutions on effective online teaching practices.
- Designed and implemented training workshops for educators across various disciplines.
- Conducted assessments of online programs, leading to improved student satisfaction scores.
- Collaborated with clients to create customized online learning solutions.
- Facilitated focus groups to gather feedback and improve online course offerings.
- Published articles on best practices in online education in leading journals.

## **ACHIEVEMENTS**

- Recognized for developing a groundbreaking online course that received national acclaim.
- Achieved a 30% increase in student retention through innovative support programs.
- Served on advisory boards for online education initiatives at several universities.
