MICHAEL ANDERSON

K-12 ONLINE LEARNING CONSULTANT

Accomplished Online Learning Consultant with a rich background in K-12 education and over 8 years of experience in creating engaging online learning environments. My expertise lies in integrating technology into the classroom to foster student collaboration and learning autonomy. I have successfully designed curriculum aligned with educational standards and implemented assessment tools to measure student progress.

PROFESSIONAL EXPERIENCE

Future Ready Schools   *Mar 2018 - Present*
K-12 Online Learning Consultant

- Developed and implemented online learning strategies that increased student engagement by 45%.
- Provided professional development for teachers on integrating technology into lesson plans.
- Designed interactive online resources and assessments to meet diverse learner needs.
- Conducted data analysis to assess student performance and inform instructional practices.
- Collaborated with administrators to align online programs with curriculum standards.
- Facilitated workshops for educators on best practices in online teaching and learning.

State Education Department   *Dec 2015 - Jan 2018*
Instructional Coordinator

- Led the development of online resources for statewide educational initiatives, impacting thousands of students.
- Evaluated the effectiveness of online curriculum through stakeholder feedback and performance data.
- Collaborated with teachers to create engaging and accessible digital content.
- Organized training sessions for educators on online instructional strategies.
- Utilized technology tools to streamline curriculum development processes.
- Promoted a culture of innovation and continuous improvement within educational settings.

ACHIEVEMENTS

- Recognized for innovative online curriculum design with a state-level award.
- Increased student achievement scores by 20% through targeted online interventions.
- Successfully launched an online mentoring program for educators.
