EDUCATION

MASTER'S IN SOCIAL WORK, UNIVERSITY OF SOCIAL SCIENCES, 2013

ACHIEVEMENTS

- Received 'Excellence in Community Service' award for impactful training programs.
- Increased program participation by 50% through targeted outreach initiatives.
- Recognized for leadership in developing inclusive training resources.

ONLINE TRAINING CONSULTANT

Dedicated Online Learning Consultant with over 9 years of experience in the non-profit sector, specializing in the development of online training programs that promote community engagement and skill development. My background in social work and education allows me to create culturally relevant and accessible online content for diverse audiences. I have a proven track record of designing and implementing e-learning solutions that enhance knowledge dissemination and empower individuals.

WORK EXPERIENCE

ONLINE TRAINING CONSULTANT
Community Learning Initiative
2020 - 2025

- Designed and delivered online training programs that reached over 5,000 learners in underserved communities.
- Conducted community needs assessments to tailor programs to specific audience requirements.
- Collaborated with local organizations to develop culturally relevant training materials.
- Utilized feedback and data analysis to continuously improve program effectiveness.
- Facilitated online workshops and discussion forums to promote community engagement.
- Managed project timelines and budgets to ensure successful program delivery.

E-LEARNING DEVELOPER
Non-Profit Educational Services
2015 - 2020

- Created over 10 online courses focused on personal development and vocational training.
- Developed assessment tools to measure learner outcomes and program impact.
- Collaborated with subject matter experts to ensure content accuracy and relevance.
- Implemented user-friendly design principles to enhance learner experience.
- Trained staff on the use of learning management systems and e-learning tools.
- Monitored and reported on program participation and effectiveness to stakeholders.
