Strategic Online Learning Consultant with extensive experience in higher education administration and online program development. With over 12 years in the field, I have successfully led initiatives to enhance the quality and accessibility of online education. My expertise includes program evaluation, accreditation processes, and stakeholder engagement. I am adept at developing strategic plans that align with institutional goals and improve student learning outcomes.

💼 WORK EXPERIENCE

Director of Online Learning
2020-2023

Innovative University

- Oversaw the development and implementation of online programs, leading to a 50% increase in enrollment.
- Established quality assurance processes to ensure course content met accreditation standards.
- Collaborated with faculty to design and deliver engaging online courses.
- Conducted program evaluations and assessments to improve student learning outcomes.
