Michael Anderson

E-LEARNING DESIGNER

Creative Online Learning Coordinator with 4 years of experience in the higher education sector. I have a strong foundation in instructional design and a passion for enhancing the online learning experience for students. My approach combines innovative teaching methodologies with technology to create engaging and effective learning environments. I am skilled in collaborating with faculty to develop online courses that not only meet educational standards but also captivate students' interest.

EXPERIENCE

E-LEARNING DESIGNER

State University Online

2016 - Present

- Designed and developed 10+ online courses that received high student satisfaction ratings.
- Utilized multimedia tools to enhance course content and engage students.
- Collaborated with faculty to align online courses with learning objectives.
- Conducted usability testing to ensure a seamless learning experience.
- Provided ongoing support and training for faculty on online teaching best practices.
- Analyzed feedback to make continuous improvements to course materials.

PROGRAM ASSISTANT

Learning Innovations Institute

2014 - 2016

- Assisted in the development of online training modules for adult learners.
- Managed the logistics of online workshops and training sessions.
- Coordinated with speakers and facilitators to ensure smooth delivery of content.
- Tracked participant engagement and feedback for program evaluation.
- Supported marketing efforts to promote online learning opportunities.
- Contributed to the creation of instructional materials for online courses.
