EDUCATION

BACHELOR OF ARTS IN EDUCATION,
UNIVERSITY OF CALIFORNIA

ACHIEVEMENTS

- Received the 'Community Impact Award' for outstanding service in education in 2020.
- Increased student engagement in online programs by 70% through targeted outreach and support.
- Developed a resource toolkit that has been adopted by multiple educational organizations across the state.

PROFILE

With a decade of experience in the nonprofit sector, I have transitioned into the role of Online Learning Mentor to leverage my expertise in community engagement and education. My diverse background in program management has equipped me with the skills necessary to create enriching online learning experiences that cater to underrepresented populations.

EXPERIENCE

PROGRAM COORDINATOR

Community Learning Initiative

2016 - Present

- Led the development of online educational programs aimed at low-income families, increasing participation by 50%.
- Provided one-on-one mentoring to over 150 students, resulting in improved academic performance and self-confidence.
- Coordinated community outreach efforts to raise awareness about online learning opportunities, reaching over 1,000 potential students.
- Utilized social media platforms to engage students and foster an online learning community, driving interaction rates up by 60%.
- Developed and maintained partnerships with local organizations to enhance program offerings and resources.
- Facilitated training workshops for volunteers, equipping them with the tools necessary to effectively support online learners.

EDUCATION OUTREACH SPECIALIST

Future Scholars Program

2014 - 2016

- Designed and implemented a virtual mentorship program that paired students with industry professionals, enhancing career readiness.
- Conducted webinars on online learning strategies, attracting an average of 200 participants per session.
- Created educational content focused on digital literacy, increasing student engagement in online platforms.
- Evaluated program effectiveness through surveys and feedback, leading to enhancements that improved user experience.
- Collaborated with educational institutions to align programs with accreditation standards and best practices.
- Managed a team of volunteers to support students in their online learning journeys, ensuring personalized assistance.
