Michael Anderson

ONLINE TRAINING DEVELOPER

I am an innovative Online Learning Practitioner with over 6 years of experience in the nonprofit sector, focusing on developing online training programs that empower underserved communities. My work emphasizes accessibility and inclusivity, ensuring that learning opportunities are available to all individuals, regardless of their backgrounds. I have a strong foundation in instructional design and community engagement, which allows me to create culturally relevant educational content.

EXPERIENCE

ONLINE TRAINING DEVELOPER

Community Learning Network

2016 - Present

- Developed training modules for community members, focusing on digital skills and online resources.
- Collaborated with local organizations to design programs that address community-specific needs.
- Facilitated online workshops that increased digital literacy among participants by 40%.
- Utilized e-learning tools to create engaging content that enhanced learning retention.
- Gathered feedback from participants to improve course offerings and accessibility.
- Implemented a mentorship program to support learners in their educational journeys.

E-LEARNING FACILITATOR

SkillShare Institute

2014 - 2016

- Facilitated online courses focused on workforce development and life skills for marginalized communities.
- Developed assessment tools to measure the effectiveness of training programs.
- Collaborated with community leaders to ensure programs were culturally relevant and impactful.
- Managed online learning platforms to provide seamless access to educational resources.
- Conducted evaluations of program outcomes using participant data and feedback.
- Organized community events to promote digital skills and foster networking opportunities.
