EDUCATION

**BACHELOR OF ARTS IN EDUCATION,
UNIVERSITY OF FLORIDA, 2016**

ACHIEVEMENTS

- Led a project that improved online course completion rates by 30%.
- Recognized as Teacher of the Year in 2018 for innovative online teaching methods.
- Published research on online learning best practices in educational journals.

PROFILE

Results-oriented Online Learning Quality Specialist with a strong background in K-12 education and over 6 years of experience enhancing online learning environments. I bring a unique perspective from my experience as both an educator and a quality assurance professional. My passion for student success drives me to develop rigorous standards for online courses, ensuring they are accessible, engaging, and aligned with state educational standards.

EXPERIENCE

ONLINE LEARNING COORDINATOR

Future Ready Academy

2016 - Present
