MICHAEL ANDERSON

SENIOR ONLINE LEARNING CONSULTANT

Experienced Online Learning Quality Specialist with a focus on adult education and corporate training. With over 10 years of experience in designing and delivering high-quality online learning experiences, I have successfully implemented quality assurance frameworks that ensure alignment with organizational goals. My background in instructional design, coupled with a strong understanding of adult learning theories, allows me to create engaging and effective training programs.

PROFESSIONAL EXPERIENCE

Corporate Learning Solutions

Mar 2018 - Present

Senior Online Learning Consultant

- Designed quality standards for online training programs that increased employee satisfaction scores by 35%.
- Implemented a data-driven approach to assess the effectiveness of online learning modules.
- Conducted stakeholder interviews to gather feedback and enhance course relevancy.
- Facilitated training sessions for SMEs on online course development best practices.
- Managed cross-functional teams to deliver high-impact learning solutions.
- Developed comprehensive evaluation tools to measure course effectiveness and ROI.

Global Training Institute

Dec 2015 - Jan 2018

Online Learning Developer

- Created interactive e-learning modules that improved learner retention by 45%.
- Analyzed learner feedback to refine course content and delivery methods.
- Collaborated with subject matter experts to ensure content accuracy and relevance.
- Utilized various authoring tools to develop engaging online training materials.
