

MICHAEL ANDERSON

SENIOR CURRICULUM DEVELOPER

PROFILE

With over 10 years of experience in online education and curriculum development, I have dedicated my career to enhancing the effectiveness of digital learning environments. My journey began as a classroom teacher, where I recognized the potential of online platforms to reach diverse learners. Transitioning into research, I have focused on creating engaging, evidence-based curricula that cater to various learning styles.

EXPERIENCE

SENIOR CURRICULUM DEVELOPER

Global Learning Institute

2016 - Present

- Designed and implemented evidence-based online courses for diverse learner populations.
- Conducted user testing to enhance course accessibility and usability.
- Collaborated with faculty to align course objectives with institutional goals.
- Analyzed feedback to continuously improve course content and delivery.
- Facilitated training sessions for instructors on integrating technology in teaching.
- Developed a feedback loop that improved course ratings by 30%.

ONLINE EDUCATION RESEARCHER

EdTech Innovations

2014 - 2016

- Conducted qualitative and quantitative research on learner experiences in online settings.
- Wrote comprehensive reports that guided product development and enhancements.
- Participated in cross-functional teams to innovate new learning tools.
- Presented findings at educational conferences and workshops.
- Engaged with stakeholders to gather insights on learner needs.
- Developed strategic partnerships with universities for research initiatives.
