MICHAEL ANDERSON

ONLINE LEARNING RESEARCH COORDINATOR

As a passionate Online Learning Researcher with 5 years of experience in the non-profit education sector, I focus on leveraging technology to improve educational access for underserved communities. My expertise lies in conducting research that informs the development of culturally relevant and engaging online curricula. I have worked extensively with educators and community leaders to ensure that the learning materials are tailored to the unique needs of diverse populations.

PROFESSIONAL EXPERIENCE

Access Education Initiative   *Mar 2018 - Present*
Online Learning Research Coordinator

- Coordinated research projects aimed at improving online learning for underserved populations.
- Collaborated with community organizations to gather qualitative data on learner experiences.
- Designed surveys that captured essential feedback from participants.
- Analyzed program data to assess effectiveness and inform future initiatives.
- Facilitated focus groups to explore barriers to online learning.
- Produced research reports that led to funding for new educational programs.

EdTech for All   *Dec 2015 - Jan 2018*
Research Intern

- Assisted in research projects focused on the impact of online learning on low-income students.
- Conducted literature reviews to support grant applications and research proposals.
- Helped analyze survey data to identify trends in online learning engagement.
- Supported the development of training materials for educators.
- Participated in workshops to present findings and engage stakeholders.
- Contributed to the creation of a resource guide for educators in low-resource settings.

ACHIEVEMENTS

- Secured a grant to fund research on online education in marginalized communities.
- Increased community engagement by 50% through targeted outreach initiatives.
- Presented research findings at a national conference on educational equity.
