Michael Anderson

K-12 ONLINE LEARNING RESEARCHER

I am a dedicated Online Learning Researcher with a strong focus on K-12 education, possessing over 7 years of experience in educational research and curriculum development. My background in classroom teaching has provided me with valuable insights into the challenges faced by teachers and students in online learning environments. I have collaborated with various educational institutions to conduct research that informs the development of curriculum materials suitable for online platforms.

EXPERIENCE

K-12 ONLINE LEARNING RESEARCHER

Future Ready Schools

2016 - Present

- Conducted research on online learning practices in K-12 settings.
- Collaborated with teachers to gather insights on online curriculum effectiveness.
- Analyzed academic performance data to evaluate the impact of online tools.
- Developed resources and guidelines for effective online teaching strategies.
- Presented research findings to stakeholders to inform policy decisions.
- Improved student engagement metrics by 30% through targeted recommendations.

CURRICULUM DEVELOPER

Digital Learning Academy

2014 - 2016

- Designed online curriculum that aligns with state standards for K-12 education.
- Evaluated existing online courses for quality and engagement.
- Worked with teachers to integrate technology into their lesson plans.
- Conducted training sessions on effective online teaching practices.
- Gathered student feedback to refine course materials.
- Achieved a 25% increase in student satisfaction ratings for online courses.
