Michael Anderson

DIRECTOR OF ONLINE LEARNING

I am a dynamic Online Teaching Coach with a strong background in educational leadership and over 11 years of experience in the field. My expertise lies in transforming traditional teaching methods into engaging online formats that cater to diverse learning styles. I have a proven ability to work with educators to enhance their teaching practices and incorporate technology effectively into their courses.

EXPERIENCE

DIRECTOR OF ONLINE LEARNING

Virtual Education Network

2016 - Present

- Led the development of strategic initiatives that improved online course offerings, resulting in a 30% increase in student enrollment.
- Facilitated training sessions for faculty on pedagogical best practices for online teaching.
- Implemented a feedback loop system to gather student input and improve course content.
- Collaborated with IT teams to ensure seamless integration of technology in online courses.
- Analyzed course data to drive decisions that enhanced student engagement and retention rates.
- Established partnerships with educational organizations to expand online learning resources.

ONLINE CURRICULUM DIRECTOR

Learning Pathways Institute

2014 - 2016

- Designed curriculum frameworks for online courses that increased student performance by 20%.
- Coordinated with educators to develop instructional materials aligned with learning objectives.
- Conducted evaluations of online program effectiveness and made recommendations for improvements.
- Mentored new instructors on best practices for online teaching and student engagement.
- Facilitated focus groups to gather insights from students and educators on course effectiveness.
- Presented findings and strategies to senior management to secure additional funding for online initiatives.
