### WORK EXPERIENCE

#### LEAD OPERATION THEATRE TECHNOLOGIST

Emergency and Trauma Center

2020 - 2025

- Oversaw surgical operations for trauma cases, ensuring immediate availability of necessary instruments and equipment.
- Trained and mentored junior technicians, improving overall team performance and efficiency.
- Facilitated pre-operative assessments, contributing to a 20% reduction in surgical complications.
- Implemented a rapid response protocol for emergency surgeries that improved patient survival rates.
- Conducted regular drills to prepare staff for emergency scenarios, enhancing readiness and response time.
- Maintained meticulous records of surgical procedures and outcomes, supporting quality assurance initiatives.

#### SURGICAL TECHNOLOGIST

General Surgical Hospital

2015 - 2020

- Assisted in a wide range of surgical procedures, ensuring all equipment was sterile and operational.
- Played a key role in the successful execution of over 400 surgeries, contributing to high patient satisfaction scores.
- Managed surgical supplies and equipment, achieving a 15% reduction in costs through strategic sourcing.
- Collaborated with surgeons and anesthesiologists to optimize surgical workflows and patient safety.
- Participated in continuous learning through workshops and certifications in advanced surgical techniques.
- Established a feedback loop with surgical teams to continually improve practices and patient care.
