### WORK EXPERIENCE

#### Operation Theatre Technologist

2020-2023

Minimally Invasive Surgery Institute

- Assisted in over 300 minimally invasive surgeries, ensuring precise instrument handling and support to surgeons.
- Managed surgical instruments and equipment, maintaining a sterile and efficient working environment.
- Educated patients about minimally invasive procedures, reducing pre-operative anxiety.
- Collaborated with surgical teams to refine techniques, leading to improved patient recovery times.
- Implemented an electronic inventory system that increased supply tracking accuracy.
- Participated in departmental meetings to discuss best practices and advancements in surgical techniques.

#### Surgical Assistant

2019-2020

Advanced Surgical Center

- Supported surgical teams in a variety of specialties, ensuring rapid response times during procedures.
- Maintained accurate inventory levels of surgical supplies, preventing shortages during critical operations.
- Monitored patient vitals and assisted in maintaining a stable operating environment.
- Facilitated post-operative care discussions with patients and families, enhancing recovery experience.
- Participated in training sessions to stay current with the latest surgical innovations.
- Developed a feedback mechanism to gather insights from surgical teams on procedural improvements.

### ACHIEVEMENTS

- Recognized for exceptional teamwork during high-stakes surgical procedures.
- Implemented a training program that improved team efficiency by 25%.
- Awarded for excellence in patient education initiatives.
