

# MICHAEL ANDERSON

Associate Professor of Oral Surgery

Dynamic Oral Surgeon with a solid foundation in research and clinical practice, possessing 11 years of experience in the academic sector. My career has uniquely positioned me at the intersection of teaching and surgical practice, where I specialize in oral and maxillofacial surgery. I am deeply committed to advancing the field through research, education, and service.

## WORK EXPERIENCE

### Associate Professor of Oral Surgery

2020-2023

University of Dental Sciences

- Taught advanced oral and maxillofacial surgery techniques to dental students and residents.
- Published over 15 research papers on surgical innovations and outcomes.
- Supervised resident surgeries, ensuring high-quality patient care and safety.
- Developed curriculum for a new oral surgery residency program.
- Presented research findings at national and international conferences.
- Collaborated with colleagues on interdisciplinary research projects.

### Oral Surgeon

2019-2020

City Medical Center

- Performed a variety of oral surgeries, focusing on patient outcomes and satisfaction.
- Implemented quality improvement initiatives that enhanced surgical processes.
- Conducted training sessions for dental staff on the latest surgical techniques.
- Participated in community health initiatives to promote oral health education.
- Achieved a 90% patient satisfaction score through comprehensive care.
- Engaged in active mentorship of dental students during clinical rotations.

## ACHIEVEMENTS

- Awarded 'Best Educator' by the Dental Faculty Association in 2020.
- Published a textbook chapter on surgical techniques in children.
- Developed an innovative training program for oral surgery residents.
