WORK EXPERIENCE

Community Organic Farm Manager

2020-2023

Harvest Share Farms

- Managed a community-supported agriculture program serving over 200 families.
- Implemented educational workshops to teach sustainable farming practices to community members.
- Developed partnerships with local schools to promote farm-to-table initiatives.
- Coordinated volunteer programs to engage community members in farm activities.
- Utilized social media to enhance community outreach and engagement.
- Monitored crop production to ensure consistent supply for CSA members.

Sustainable Agriculture Advocate

2019-2020

Local Food Initiative

- Promoted sustainable agriculture practices through community engagement and education.
- Organized local events to connect farmers with consumers, enhancing local food systems.
- Conducted research on community needs and preferences for organic produce.
- Collaborated with local businesses to support sustainable food initiatives.
- Developed marketing strategies to promote local organic products.
- Engaged with policymakers to advocate for sustainable agricultural policies.

ACHIEVEMENTS

- Increased CSA membership by 60% within two years.
- Recognized by local government for contributions to sustainable agriculture.
- Successfully launched a farm-to-school program, enhancing local food access.
