WORK EXPERIENCE

Specialty Crop Farmer 2020-2023

Heritage Organic Farms

- Specialized in the production of heirloom vegetables and herbs for local markets.
- Managed the organic certification process for all farm products.
- Developed relationships with local chefs to create unique product offerings.
- Implemented efficient supply chain management for product distribution.
- Conducted market research to identify emerging trends in specialty crops.
- Created value-added products such as sauces and preserves.

Organic Farm Assistant 2019-2020

Sunny Acres Organic Farm

- Assisted in daily operations of a 50-acre organic farm.
- Participated in planting, harvesting, and maintaining specialty crops.
- Monitored crop health and implemented pest management strategies.
- Helped coordinate farm tours and educational events for visitors.
- Maintained equipment and ensured compliance with organic standards.
- Contributed to marketing efforts through social media and local events.

ACHIEVEMENTS

- Increased sales by 60% through direct marketing to local restaurants.
- Recognized for outstanding quality of heirloom produce by the local food community.
- Successfully launched a line of specialty sauces that gained regional acclaim.
