WORK EXPERIENCE

Organic Standards Inspector

2020-2023

Organic Integrity Group

- Conducted inspections of organic farms, ensuring compliance with established organic standards.
- Developed comprehensive reports detailing findings and compliance status for stakeholders.
- Engaged with farmers to provide guidance on achieving and maintaining organic certification.
- Utilized data management systems to track compliance and inspection outcomes.
- Collaborated with industry experts to refine inspection protocols and practices.
- Participated in training programs to enhance knowledge of organic standards and best practices.

Compliance Advisor

2019-2020

AgroCertify

- Advised clients on compliance with organic certification standards and regulations.
- Conducted assessments of organic certification applications for accuracy and completeness.
- Organized workshops to educate farmers on the importance of organic practices and compliance.
- Developed resources and tools to assist farmers in the certification process.
- Analyzed compliance data to identify gaps and recommend improvements.
- Maintained up-to-date knowledge of regulatory changes affecting organic certification.

ACHIEVEMENTS

- Improved certification success rates by 25% through targeted educational initiatives.
- Received the Excellence in Organic Certification Award from the National Organic Program.
- Authored a guide on best practices for organic compliance, distributed to over 1,000 farmers.
